

A. Use the maps in Section 2 and the maps in the atlas to locate the following bodies of water, landforms, territories, cities, and routes of explorers. Then label them on the outline map on the back of this page.

Bodies of Water and Landforms	Territories and Nations	Routes of Explorers
Pacific Ocean	Oregon Country	Lewis and Clark 1804-1805
Mississippi River	Spanish Territory	Clark's return
Rocky Mountains	British Territory	Pike 1806-1807
Cities and Locations	Canada	Lewis's return
St. Louis		Lewis and Clark 1806
New Orleans		
Fort Clatsop		

B. After labeling your map, use it to answer the following questions.

1. Which exploration reached the Pacific Ocean?

2. Which city was the starting point for all the explorations?

3. Which exploration crossed into territory belonging to a European nation?

4. Where did the Lewis and Clark expedition spend the winter before returning to St. Louis?

5. What countries still held territory in what would become the continental United States?

6. What body of water and what landform are the eastern and western boundaries of the territory gained from the Louisiana Purchase?
