THE GOOD DEED

Question Support

Directions: Answer the questions.

1. RECALL How does Heather meet Risa?

2. Clarify Reread lines 260-274. Why is Miss Benson able to describe Heather?

3. Represent Sketch one of the eye bouquets described in “The Good Deed” on a separate piece of paper. Then list label it with the authors words that helped you form a mental image of the picture.

Name one event from the story that you made a connection with. __________________________

___________________________________________________________

Tell how this connection helped you understand the characters’ actions. ______________________

___________________________________________________________

5. Identify Conflicts Heather has external conflicts—conflicts with outside forces. She also has internal conflicts—conflicts inside her own mind. Give one example of each. Then tell me if they are Man vs. man, nature, society, or self.

Conflict with outside force: ______________________________________

____________________________________________________________

Conflict in her own mind: _______________________________________

____________________________________________________________

6. Make Inferences Look back at lines 274–276. Underline one phrase in parentheses and complete the following sentence.

I think Miss Benson (does know/does not know) that there is a conflict between Heather and Risa because _____________________________________________

____________________________________________________________

7. Evaluate Resolution Underline one word or phrase in parentheses and complete the following sentence.

Heather (does/does not) do a good deed because _______________________________________

____________________________________________________________

8. Compare Literary Works Reread the poem on page 58. Is the speaker in the poem more like Heather or more like Miss Benson? Why do you think so?
