

# Ms. Gdaniec's Classroom Expectations

- Be respectful!
- Be on time for class!
  - A demerit will be issued if a student is tardy to class without a late pass.
  - Once in class, get out class materials and place your bag on the back shelf.
  - Class starts immediately when the bell rings, be in your seat and ready to go.
  - If there is a "bell ringer" for the day, you should begin working on it as soon as you get to class.

- Be prepared for class!
  - You should ALWAYS have your supplies for class (textbook, binder, loose leaf, pens, calculator, iPad, etc.) unless otherwise informed.
- Be in uniform!
  - Uniform is to conform with the uniform/dress code in the student handbook.

- Complete all of your homework!
  - Homework is meant to reinforce topics covered in class. Practice makes perfect!
  - Homework will not be accepted at the end of the day that it was due in class.
  - Homework not turned in when collected and/or reviewed in class is a "0".

- Stay awake!
  - There is no excuse for sleeping during class time. The classroom is not a place to be sleeping.
  - Sleeping in class is not acceptable and will not be tolerated.
  - I will give one warning. Second offense is a demerit. Repeated offenses will result in detention.

- Keep your cell phone in your bag.
  - One warning will be given. Second offense will result in confiscation of the phone until the end of the day and a Tier 2 (Saturday) detention. It's school policy!

**Shhhhhh!**

- Silence during test taking!
  - Silence is required (and needed) by you and your classmates until the last paper is submitted.
  - Talking during an exam may result in forfeiture of your grade.
  - After you complete an exam, you may work on something else (no iPads) until everyone has finished.

- Restroom use...
  - Permission to leave the room for restroom, locker, phone, or other personal business may be granted at appropriate times.
  - Do not "overuse" this privilege or else it will be limited.
  - You will sign in and out on the sheet by the door. The classroom pass is to be worn around your neck.
  - After 2:30PM, in accordance with the MPS handbook, no one may be excused.

- No Food or Drink outside of the cafeteria!
  - It's school policy. It attracts bugs and we don't need that!
  - You are permitted to have WATER in the classroom.
  - It gets very warm in 212; it would be a good idea to bring water to class!
- NO GUM!

- Early Dismissals/Athletes/Thespians
  - No special accommodations will be made. You are still responsible for the work that you miss.
  - Any work that is due on the day of your early dismissal is to be turned in before you leave school or else it will be considered late.

- Integrity!
  - Cheating is defined as representing another's work as your own and enabling others to use your work as their own.
  - Enabling or helping others to cheat is also cheating.
  - Be sure to follow the MLA format and include a works cited page when writing lab reports that require research.

- Grades are not to be discussed among your peers while in the classroom. It is a violation of the Federal Education Rights and Privacy Act (FERPA).
- Have fun!
