

Name _____ Date _____

MATTHEW HENSON AT THE TOP OF THE WORLD

Reading Skill

IDENTIFY CAUSE-AND-EFFECT RELATIONSHIPS

The events in a story may be linked by **cause-and-effect** relationships. One event, the cause, directly brings about another event, the effect. That effect may in turn cause another effect, and so on.

Directions: As you read “Matthew Henson at the Top of the World,” record cause-and-effect relationships in this graphic organizer.
