Dual Language Learner Toolkit

ES Español

This toolkit provides resources that can be used to support young children who are learning their home languages and English. It is divided into three sections: administrators and managers; teachers, caregivers, and family services staff; and families. First, watch the video and then select a button below the video player to start exploring the available materials.

This toolkit provides resources that can be used to support young children who are learning their home languages and English. It is divided into three sections: administrators and managers; teachers, caregivers, and family services staff; and families.
