Dear parent/guardian,

Based on teacher observations and the annual English assessment (WIDA ACCESS®), your child has demonstrated proficiency in English. Therefore he/she will be reclassified as a former English learner and removed from the district's language instruction educational program. Your child will be monitored for the next two school years to ensure that he/she does not encounter any challenges resulting from English language acquisition. If it is determined that there are lingering English language acquisition needs, then he/she may be placed back into the language program. The scores from the English assessment and the teacher observations are listed below along with the recommendation to reclassify the student.

WIDA ACCESS® Proficiency Level: _____

Total Points Earned from Teacher Observation Rubrics: _____ out of 8 possible points.

Based on the student's scores listed above, this student was recommended for reclassification as a former EL.
