## ELs with disabilities

Student Name: \_\_\_\_\_ PASID: \_\_\_\_\_

Date: \_\_\_\_\_ Grade: \_\_\_\_\_

School District: \_\_\_\_\_ School: \_\_\_\_\_

Dear parent/guardian,

Based on teacher observations, the annual English assessment (ACCESS for ELLs), a review of your child's academic and language support program, and the recommendation of a school-based team of which you were a member, your child will be reclassified as a former English learner and removed from the district's language instruction educational program. Your child will be monitored for the next two school years to ensure that he/she does not encounter any challenges resulting from English language acquisition. If it is determined that there are lingering English language acquisition needs, then he/she may be placed back into the language program. The scores from the English assessment and the criteria your child had to meet are listed below along with the reclassification recommendation. If you have any question, you may contact:

If the answer to any of the following questions is “no”, then the notes must contain a description of compelling evidence that the student should be reclassified as a former EL in spite of the fact that there is an indication that he/she may benefit from continued participation in the LIEP.

- 1. Has the student received adequate ELD instruction commensurate with his/her ELP level for the most recent four years?  
\_\_\_\_\_ **YES** / \_\_\_\_\_ **NO**
- 2. Is this student able to effectively communicate in English?

\_\_\_\_\_ **YES** / \_\_\_\_\_ **NO**

Xurmatli ota-ona/vasiy

O'qituvchilarning kuzatishlari, yillik ingliz tilini baholash (ACCESS for ELLs), farzandingizning akademik va tilni qo'llab-quvvatlash dasturini ko'rib chiqish va siz a'zo bo'lgan maktab jamoasi tavsiyasiga ko'ra, farzandingiz sobiq ingliz tilini o'rganuvchi sifatida qayta tasniflanadi va tumandagi til o'rgatuvchi ta'lim dasturidan chiqariladi. Farzandingiz ingliz tilini o'zlashtirish natijasida yuzaga keladigan qiyinchiliklarga duch kelmasligi uchun keyingi ikki o'quv yili davomida nazorat qilinadi. Agar ingliz tilini o'zlashtirishga bo'lgan ehtiyoj borligi aniqlansa, u yana til dasturiga joylashtirilishi mumkin. Ingliz tilini baholashdan olingan ballar va farzandingiz javob berishi kerak bo'lgan mezonlar qayta tasniflash tavsiyasi bilan birga quyida keltirilgan.
