PaSLP Vision & Mission

Vision: All students in Pennsylvania from birth through grade 12 will become well-educated citizens with a command of literacy that prepares them for the challenges of the 21st century and enables them to achieve their personal and professional goals.

Mission. The Pennsylvania State Literacy Plan (PaSLP) provides guidance to stakeholders about their roles in developing an integrated, aligned, and comprehensive set of literacy experiences for students. The plan identifies and describes (1) essential evidence-based concepts about the content of literacy (birth-grade 12) and (2) processes by which all stakeholders (e.g., parents, care-takers, educators, community members, etc.) involved in students' literacy learning can facilitate that learning in a coherent and consistent manner.
