MAKE-UP WORK

Upon returning to school following an absence, it is the student's responsibility to contact the teacher to request make up work. If a student is absent, he or she will have the number of days absent to make up work. For example, if a student is absent for 2 days, then he or she will have two days to make up any assignments. If a student is absent on the day of a test or the day a project is due, then the student is

expected to take the test or hand the project in upon returning to school. **It is the student's responsibility to get missing work.**

HOMEWORK POLICY

Homework is an effective tool in developing responsibility, study habits, and skills. In order to receive full credit, assignments must be completed neatly, accurately, and handed in on time. **Late assignments will only be worth half credit. After 2 days, the student will earn a zero on that assignment.** Students are expected to review material regularly and to study for upcoming quizzes and tests.
