

Why SAS PD Center?

The SAS Professional Development Center offers a wealth of Act 48 course offerings designed to help educators grow professionally. These self-paced no cost courses touch upon a wide range of relevant topics. Take a look – and enroll!

Specially Designed Instruction for Gifted Learners

Explore gifted education regulations, the differences between gifted learners and their typically developing peers, and develop strategies to differentiate learning in ELA, math, and science.

Using PBS LearningMedia in the Classroom

Explore the digital learning resources of PBS LearningMedia and discover ways to integrate it into instruction.

Introduction to Structured Literacy

Designed to introduce the key features and content of the Structured Literacy approach.

Comprehensive Mental Health for Teachers

Explore mental health literacy in the context of Pennsylvania initiatives.

SAS Assessment Center

Build, create, and share assessments by searching the SAS Assessment database of standards-aligned items.

Pathways to Graduation: Guiding Students in Decision Making

Learn about state graduation requirements and how you might assist students in meeting requirements.

Self-Awareness and Reflective Practices for Equitable Classrooms

Explore implicit biases and the effect these biases have on teachers, students, school leaders, parents, and other stakeholders.

Trauma-Informed Programs: Introduction to Trauma-Informed Practices (Module 1 of 5)

Learn about Pennsylvania's approach to trauma-informed schools.
