Welcome to the first edition of the *PA CTE Trade and Industry* newsletter!

The Bureau of Career and Technical Education would like to wish all competitors at nationals the best of luck, and everyone a wonderful summer break. Even though we know a lot of you are working a summer job or taking continuing educational classes, please remember to take some time to relax!

CHECK IT OUT!

Curriculum Resources:

- ❖ [Home Builders Institute \(HBI\) Pre-Apprenticeship Certificate Training \(PACT\)](#): curriculum integrates performance-based learning in the building trades with CTE, academic skills, life skills, career development, and on-the-job training.
- ❖ [PBS LearningMedia: Engineering Projects for Kids](#). Discover engineering and Technology resources and projects that connect students to engineering design practices and future careers.

TIPS:

Build Stronger Occupational Advisory and Local Advisory Committees

- ❖ Ask your OAC members to review your students' resumes.
- ❖ Include diversity in OAC and LAC membership.
- ❖ Once your administrator has approved and commented on the OAC meeting minutes, email the minutes and the next meeting date to your OAC members.
