

Academic Standards for Career Education and Work

Grades K-12

Pennsylvania Department of Education

January 2024

Overview

Pennsylvania's economic future depends on having a well-educated and skilled workforce. Career Education and Work standards reflect the increasing complexity and sophistication that students experience as they progress through school, focusing on the skills and continuous learning and innovation required for students to succeed in a rapidly changing workplace. The standards are written as grade-banded standards built around the concepts of career awareness and exploration, employability skills, growth and advancement, and personal interests and career planning.
