Student Centered Learning								
The Student-Centered Learning Initiative has been developed to improve educational outcomes for all students by creating a more cohesive and coordinated approach to student-centered learning in Pennsylvania. Our Mission is to empower a Pennsylvania where all learners thrive in student-centered environments. Our Vision is to create ubiquitous learning opportunities where the student is at the center of all learning. Contact: Ken Zimmerman: kenneth_zimmerman@iu13.org Kylie Hand: kylieh@cciu.org

**Step 5**: You now have access to all resources in the Student-Centered Learning group, as well as the ability to author new resources (all authored resources will be subject to approval).

<u>Special Note</u>: When you return to OER Commons in the future, you can navigate back to this group using the Groups tab at the top of the webpage.

Now that you are registered with OER Commons, you can also join other PAIU groups. To do this, <u>visit the PA IU Hub.</u>

Some groups to consider joining to get connected for resources and information:

- Your Intermediate Unit
- Browse Working Groups for areas of interest

You can also access PA IU Curated Open Educational Resources
